Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 /individual or \$0 /family for UCMC Providers . \$100 /individual or \$200 /family for Anthem Prudent Buyer PPO Providers . \$200 /individual or \$500 /family for Non- Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Prescription Drugs for Anthem Prudent Buyer PPO Providers and Non- Network Providers . Preventive care , Primary Care visit, and Specialist visit for Anthem Prudent Buyer PPO Providers .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	\$1,000 /single or \$2,000 /family for UCMC Providers . \$1,000 /individual or \$2,000 /family for Anthem Prudent Buyer PPO Providers . \$2,000 /individual or \$4,000 /family for Non- Network Providers .	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

Will you pay less if you use a network provider?	Yes, Anthem Prudent Buyer PPO. See www.anthem.com/ca or call (833) 674-9256 for a list of network providers .	You pay the least if you use a provider in Preferred Network . You pay more if you use a provider in In- Network . You will pay the most if you use an out-of- network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of- network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
