UCPATH FSA ENROLLMENT USER GUIDE

When You're Ready to Enroll

Flexible spending accounts (FSAs) let you set aside pretax dollars to reimburse yourself for expenses like doctor's office visits, prescriptions and day care expenses.

Annual Flexible Spending Account Enrollment for 2024 begins Thursday, Oct. 26, and runs through Friday, Nov. 17, 2023. This is your only opportunity to enroll in a Medical and/or Dependent Care FSA for 2024.

In 2024, you can contribute a maximum of \$3,050 to a Medical FSA and a maximum of \$5,000 to a Dependent Care FSA. Both FSAs require a minimum contribution of \$180.

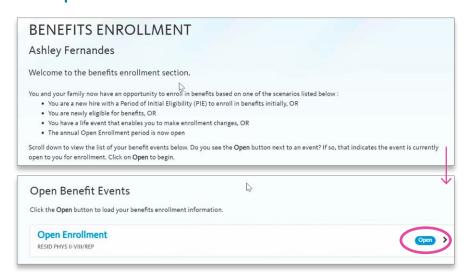

If you'd like to enroll in a Medical and/or Dependent Care FSA for 2024, use this guide to help you through the process.

If you're currently enrolled and want to participate again in 2024, **you must reenroll**. FSA elections do not roll over from year to year.
